WHEREAS, the District requires continuous security for all funds deposited with the Bank; and

WHEREAS, the Bank is a member of the Federal Deposit Insurance Corporation and, under the terms of the Federal Deposit Insurance Act, funds deposited with the Bank are insured to the extent of at least the amounts established by Federal law; and

WHEREAS, the Bank has agreed to secure deposits of the District with securities which are acceptable as collateral under the Public Funds Collateral Act (Texas Government Code Chapter 2257) and the District’s Investment Policy, both as amended from time to time (collectively, “Approved Securities”) with an aggregate market value, increased by accrued interest, at least equal at all times to the amount of funds of the District on deposit with the Bank in excess of the amounts insured by the Federal Deposit Insurance Corporation or its successor, which Approved Securities will be pledged to the District; and

WHEREAS, the District and the Bank wish to enter into a written agreement, setting forth the terms and conditions upon which the Bank will transfer funds from the account of the District upon telephonic, telegraphic, oral or written instructions for the transfer of funds of the District;

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

Section 1. The Bank represents and warrants that it is a member of the Federal Deposit Insurance Corporation and, under the terms of the Federal Deposit Insurance Act, funds deposited with the Bank are insured to the extent of at least the amounts established by Federal law

Section 2. The Bank shall secure all deposits of the District with Approved Securities having a market value at all times equal to or greater than the funds of the District on deposit with the Bank, to the extent the funds are not insured by the Federal Deposit Insurance Corporation or its successor. The Approved Securities shall be deposited and pledged in safekeeping at another reputable bank or banks that have safekeeping accounts for the Bank or at a trust or safekeeping department within the Bank. The Bank shall: maintain a separate, accurate, and complete record relating to a pledged investment security, a deposit of District funds, and a transaction related to a pledged investment security; furnish a written schedule of the deposited and pledged securities to the District on a monthly basis; and, ensure that the any banks holding such deposited and pledged securities in safekeeping furnish the District with appropriate safekeeping receipts.

Section 3. The Approved Securities shall be pledged to secure the payment in full upon demand of any demand deposits of the District in the Bank and the payment in full at maturity or after the expiration of the period of required notice of all time or savings deposits in the Bank. Upon such demand, maturity, or notice, the Bank shall faithfully pay over to the District or any successor bank all balances remaining in the accounts, and, upon this payment, the Approved Securities shall be released. Upon default in payment by the Bank and after giving five days' written notice to the Bank of the default, the District has all of the rights of a secured party under the Uniform Commercial Code with respect to pledged bonds.

Section 3. If the Bank desires to sell or otherwise dispose of one or more of the Approved Securities held in pledge, it may, subject to the approval of the District, substitute for any one or more of the Approved Securities other securities of the same character and amount, and this right of substitution will remain in full force and may be exercised by the Bank as often as it may desire to sell or otherwise dispose of any original or substitute securities; provided, however, that the aggregate amount of the Approved Securities held in pledge will always be such that the aggregate market value thereof is at least equal to the amount of the deposits increased by accrued interest and decreased by the amount insured by the Federal Deposit Insurance Corporation.

Section 4. If, at any time, the Approved Securities held in pledge have an aggregate market value in excess of the sum on deposit, as increased by accrued interest and decreased by the amount insured by the Federal Deposit Insurance Corporation, then the Bank will have the right to withdraw securities equal in amount to the amount of the excess. In the event of withdrawal, the Bank will promptly notify the District.
